Teanaway Community Forest funding update

This year's state legislature is considering 2015-2017 budget requests that included \$3 million for the anticipated implementation of a Teanaway Community Forest Management Plan. If fully supported, these funds would enable the departments of Natural Resources and Fish and Wildlife to thin select forest areas for reduced wildfire risk, remove fish passage barriers, allow for collaboration with partners on watershed habitat restoration, enhance campgrounds, provide noxious weed control, improve roads, develop a recreation plan, and support continued community engagement.

DNR Annual Report features Teanaway Community Forest photo

The Washington State Department of Natural Resources (DNR) has published its [2014 Annual Report](#) which shared that leasing and natural resource sales on state trust lands produced nearly \$265 million in non-tax revenue for public school construction, county services, state universities, and other beneficiaries. The amount included more than \$120 million for common school construction, \$75 million for services in Washington counties, \$14

Next Advisory Committee meeting Feb. 12, 2015

The next meeting of the Teanaway Community Forest Advisory Committee will take place from 3 to 8 p.m. on Thursday, Feb. 12, 2015 at:

Putnam Centennial Center

719 East Third Street
Cle Elum, WA 98922

We will soon post the agenda online

million for Washington State University, and \$3 million for the University of Washington. In addition to fiscal data the report includes notable highlights, including a photo of Teanaway Community Forest on the cover.
